

THE NEW WHITE RIVER DIVISION

of the Mo. Pac.—Iron Mountain System.

OPENED FOR TRAFFIC JANUARY 15, 1906

This line opens up a new country in the very heart of Missouri and Arkansas, which has been heretofore practically unknown, owing to the lack of railroad facilities. The line runs from Carthage, Mo., on the Mo. Pac. to Newport, Ark., on the Iron Mountain, a distance of 271 miles. The country abounds in cheap farm, pine, hardwood and mineral lands, and is the rival of Colorado for scenery. It is a paradise for hunting and fishing parties on the James and White Rivers. The 75 mile float from Galea to Branson on the James and 200 mile float from Branson to Cotton on the White River has no equal in this country. Train leaves Joplin daily at 7:45 a. m. Carthage 8:30 a. m. arrives Newport 8:00 p. m. Leaves Newport 7:00 a. m. arrives Carthage 7:10 p. m. Joplin 8:10 p. m. For further information address, H. C. TOWNSEND, G. P. & T. A., St. Louis, Mo. TEMPERANCE COLUMN

Conducted by the W. C. T. U.

The children of today will be our citizens of tomorrow. Both good and evil influences are fighting for their control. The churches have their Children's Day, Special day for them at Chautauqua. The children will have reserved seats and old folks must give room when we have our school and Kindergarten, Sunday Schools and clubs, cooking schools, gymnasium and Loyal Temperance Leagues. So much is being done to make the boy and girl good and useful.

A man bought a piece of glass for 5cts and made a lens worth hundreds of dollars.

A pound of cotton worth 5cts can be made into lace worth many dollars.

A tree of the forest can be cut up and polished and worked into a piece of furniture worth many times the value of the tree.

The American idea, is to improve the raw material and make it valuable.

You see Jasper's beautiful Post Office made out of a sand-pile.

Our boys and girls are of more value to the nation than the products of the nation. An insatiable which ruins them soul and body should be wiped from the face of the land.

A woman whose boy has been lost, found him last week at the poor farm driven there by drink and poverty. Two boys have died with delirium tremens in the Joplin jail the past month. So it goes. Are we going to let the saloon finish the education of our dear children of which we have been so careful. Are the fathers of the land going to be satisfied with "Home Protection" by putting a lightning rod on the home and a vote for high-license in the ballot box?

THAT HORRIBLE FEELING OF DANGER

which comes to you when you suddenly awake in the night is seldom caused by a burglar standing over your bed, but it is a symptom of disease which no woman should neglect. It means that some part of her delicate organism is undertuned or diseased. No wise woman ever neglects this symptom for a day.

G. F. P. (GERSTLE'S FEMALE PANACEA.) soon removes the cause of the trouble because it acts directly upon the affected organs, putting them in a state of perfect health.

HAD SUFFERED FOR SIX YEARS.

This is to certify that one of my customers suffered from diseases peculiar to her sex for six years, trying many physicians and everything she could find that was recommended for diseases of that kind, but to no effect. Finally she was induced to try G. F. P. (Gerstle's Female Panacea) and after taking two bottles she was strong enough to walk ten miles. She had been unable to do anything for months before taking this medicine. C. S. HEARD, Chadwick, Ala.

WHOOPIING COUGH AND CROUP

DO NOT DELAY

Until the drain on your system produces permanent disability. The human breathing machinery is a wonderful system of tubes and cells. To have good health it must be kept in good order. A COLD is considered of no importance, yet if it is known by its proper name of "throat inflammation," or "congestion of the lungs," its dangerous character would be appreciated. When a cold makes its appearance use at once Ballard's Horehound Syrup which will speedily overcome it. WHOOPING COUGH and CROUP Require Prompt Action. SNOW LINIMENT applied to the throat and chest gives wonderful relief, while Ballard's Horehound Syrup will rapidly stop the violent paroxysms of coughing. IT IS THE ONLY COUGH REMEDY THAT WILL POSITIVELY CURE WHOOPING COUGH AND CROUP.
